EASY SAILING

EVERYTHING IN HAND, EVERYTHING IN YOUR SIGHTS

You will be surprised. You can sail this yacht single handed, whenever you like. Setting, hauling in, shortening and trimming the 47 m² sails can be carried out comfortably and directly from helmsman position. From there you will have a complete overview at all times. At HANSE, we call that „Easy Sailing“. Once you have experienced it you never want to sail without it anymore!

TODO BAJO CONTROL

Se sorprenderá. Este yate se puede, si se quiere, navegar en solitario. Izar, rizar, arriar y trimar el velamen de 47 m², todas ellas maniobras que se pueden realizar directa y cómodamente desde la rueda del timón. Desde aquí tendrá siempre todo bajo su control. Es lo que en HANSE llamamos «Easy Sailing». ¡Algo de lo que a partir de ahora no querrá prescindir!

LA MAITRISE TOTALE

Vous allez être surpris. Seul ou en équipage réduit, vous maîtriserez ce voilier ! Les virements de bord, le réglage des voiles et même les prises de ris pour réduire les 47 m² de surface de voile, s'exécutent facilement sans avoir à quitter le poste de barre. Chez HANSE nous appelons ça „Easy Sailing“. Vous ne pourrez plus vous en passer !

ALLES IM GRIFF, ALLES IM BLICK

Diese Yacht segeln Sie ganz allein – wenn Sie wollen. Segelsetzen, Wenden und auch Reffen von insgesamt 47 m² Segelfläche, unterstützt vom HANSE „Easy Sailing Concept“, erledigen Sie vom Steuerrad aus ganz ohne Anstrengung. So geht Segeln heute!

TUTTO SOTTO CONTROLLO

Ne sarete sorpresi. Se volete, potete portare da soli questa barca. Le virate, la regolazione delle vele e anche le prese di terzaroli per ridurre i 47 mq di superficie velica, e tutto senza fatica e senza lasciare la ruota. Noi in Hanse chiamiamo tutto questo “Easy sailing”. Non potrete più farne a meno

Nous avons bien sûr pensé à prévoir un espace suffisant pour se relaxer et pour ranger.

An ausreichend Platz zum Relaxen und Verstauen ist somit selbstverständlich gedacht.

A photograph of a sunset over the ocean. The sun is low on the horizon, casting a bright orange glow across the sky and reflecting on the water. In the background, a range of mountains is silhouetted against the bright sky. The water in the foreground is dark with small waves, and the overall scene is bathed in the warm, golden light of the setting sun.
